## SO DECEPTIVE

Many Mount Sterling People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing.

Learn the cause—then cure it. Possibly it's weak kidneys. That's why Doan's Kidney Pills are so effective.

We present the following case as proof:

W. O. Triplett, Sharpsburg, Ky., says: "I was bothered for several years with kidney trouble. I had pains in the small of my back and twinges when stooping or lifting. My back ached at night and was lame in the morning. I tired easily, was nervous, had dizzy spells and my sight blurred. The kidney secretions were too frequent in passage and I had to get up often during the night. Colds settled on my kidneys. I got Doan's Kidney Pills at Duerson's Drug Store and they gave me relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Triplett had. Foster-Milburn Co., Props., Buffalo, N. Y.
